

Thank you for your interest in the Midnight Ride for St. Jude Children's Research Hospital. St. Jude, the largest childhood cancer research center in the United States, treats children with catastrophic illnesses regardless of their ability to pay.

This is the fourth year for this unique event, and we're excited to see how it continues to grow. In the first three years we raised \$25,374 for the children of St. Jude, averaging about 200 participants each year. We're hoping to attract even more riders this year and to far surpass our past fundraising totals. And we can do it with your support. Please help the ride grow by talking to your friends and family and encouraging them to participate.

Thanks to our sponsors, volunteers, Peoria Police Department, Bushwhacker, Russel's Cycle and Fitness, Illinois Cycle, Junction City, the Butcher Block — and you.

Thanks again for your support. Have fun and be safe.
